About
Saving™

ALL SAVERS ARE WISE, BUT EVERY SAVER IS UNIQUE.
WHAT KIND OF A SAVER ARE YOU?

Learning to save for what you want in life is a crucial life skill, but it's one too few young people are learning.

That's why for financial literacy month in April, RCFCU will focus on helping young people develop good saving habits. RCFCU will host a savings challenge for the entire month, encouraging young people to save for something they care about and offering prizes for participating. And during the month of April, we'll even cover the cost to open a youth account!

The theme of the event is Give a Hoot About Saving. Owls represent wisdom, and nothing is wiser than learning to save for one's future goals.

In addition to the savings challenge, throughout the month of April, we will have weekly drawings, a coloring contest and all youth accounts will earn double Kirby or CU Succeed bucks for every deposit made into their savings account!

Like all credit unions, RCFCU is a member-owned, not-for-profit financial cooperative where member education and concern for the community are part of the foundational principles of our business structure, passing along a crucial life skill to the next generation to prepare them for a bright future embodies both those principles.

TOP 10 REASONS TO UPDATE YOUR HOME AND GARDEN

Birds chirping, late evening sunshine and warmer temperatures make us think about Home Improvement Loans. Here are the Top 10 Reasons that 2017 is THE year to update your home and garden.

1. Have the BFFs over to enjoy the **Brick Fireplace** and your new **Outdoor Living Room**.
2. Make a date for Dinner and a Movie after an update to the kitchen with new **Granite Kitchen Countertops** - and **New Appliances**, of course!
3. Throw away all those garden hoses and lounge on the patio after you install an **Underground Water Sprinkler System**.
4. Your spouse praises you for the **New Storage Shed** because you move the "toys" out of the garage and the family car actually fits in there now.
5. You have this overwhelming feeling of satisfaction after you **Update the Deck with New Stain** and a built-in **Hot Tub**.
6. Privacy in and out of the hot tub is a MUST! "Mission Accomplished" with a new **Cedar Fence**.
7. Mowing the lawn is a breeze on your **New Riding Lawn Mower**.
8. Even the wind can't stop you from relaxation when you make-over the extra bathroom into your own personal **Spa and Sauna**.
9. You can afford to splurge on **Heated Bathroom Flooring** in your new spa.
