The Future Is Yours: Picture it! Save for it! Share it!

We often look at pictures to remember the past, but are you ready to picture your future? For children and teenagers, the future brings limitless possibilities. Dreaming of our ideal future delights and inspires us. Children, with their fertile imaginations, are particularly good at dreaming. But to make dreams come true, you need to have clear goals and, very likely, save some money to make them happen. Financial education from your credit union can be instrumental in helping them achieve their goals.

This April, celebrate National Credit Union Youth Month with our 2019 theme: **“The future is yours... Picture it! Save for it! Share it!”** Together, we’re encouraging young members to express themselves through photography, sharing their

visions for their own financial futures so we can help them get there. By staying true to credit union philosophy in an engaging new way, we can set our young members on the path to financial awareness and security.

We’re also encouraging all members, particularly our youngest, to write down their dreams, create vision boards, and encourage each other. These activities will help lay the groundwork for their future success.

Putting your dreams and goals down on paper where you can see them every day actually helps you achieve them! Studies were conducted at Dominican University on the science of goal setting. The results revealed that writing down your goals on a regular basis makes you 42% more likely to achieve them than if you don’t record them. They determined that using your imagination (right/creative brain) and writing those plans down (left/logical brain) engages your whole brain, including your subconscious. This makes it easier for you to find and seize opportunities that will help you achieve your goals, as well as keep you motivated.

Young members who begin a habit of envisioning and recording their goals are more likely to achieve future goals as adults. This year’s Youth Month theme will give your members the encouragement they need to start this habit.

Join us this April as Russell Country FCU, along with credit unions around the world, celebrate Credit Union Youth Month and this year’s theme, **“The future is yours... Picture it! Save for it! Share it!”**

We’ll have a savings challenge, giveaways, and more! Plus all youth accounts will earn double Kirby or CU Succeed bucks for every deposit made in their savings account.
