## Keep Your Holidays Bright and Cheery!

The holidays are a great time for celebrating. But, those celebrations can turn into a nightmare if you're the victim of **Identity Theft or Fraud**. With our **Secure Checking**, you can enjoy the holidays knowing your personal information is being monitored, even while you're celebrating.

**Secure Checking** offers all the great features and benefits of a regular checking account, with an added layer or two of **security** called **ID Protect**.

### Here's just a few ways ID Protect can work for you.

- **Credit File Monitoring** – You'll have peace of mind knowing that your credit is being monitored daily. And, if there are any key changes, you'll be notified.
- **Total Identity Monitoring** – With continuous monitoring of over 1,000 databases including Social Security, public records, phone and many more, you'll have an added layer of security.
- **3-in-1 Credit Report** – Enjoy the benefits of this triple threat! Request your own credit report and credit score from all three credit bureaus every 90 days.

*The holidays are meant for celebrating. So, keep them bright and cheery this year and open a Secure Checking Account today!*

## Do You Have Control Issues?

### We Hope So!

The holidays can make any of us feel out of control! So, put the control back in your hands with **CardNav**.

Simply download the **CardNav** app, set the Control Preferences you want on your Debit Card and let **CardNav** do the rest.

### Here's how CardNav works

- Controls where and when your card is used
- Notifies you of unauthorized use
- Allows you to secure your accounts by locking or unlocking your card
- Allows you to set restrictions on the amount or type of purchase

### And, that's not all.

You can view balances and transactions and search for nearby ATMs.

Put the control back in your hands this season, download the **CardNav** app today!
