Are You Prepared for the Unexpected?

This past year has certainly been a year full of the “unexpected”. And, while we weren’t prepared for what 2020 brought, we can be prepared for what life may bring. An accident, illness, death or job loss can happen anytime, but if you’re prepared, the unexpected may turn out better than expected.

Debt Protection with Life Plus is the assurance you need to cover your loan payments and balances if the unexpected happens.

In the event of...

- **Death – your payments or loan balance may be canceled***
- **Disability – your loan payments may be covered***
- **Job Loss or Layoff – your loan payments may be covered***

Ask us about Debt Protection with Life Plus. Your family’s well-being, and your credit, is worth it.

**Some restrictions apply.
Refer to Debt Protection Member Agreement
for a full explanation of terms and conditions.*
